Vivek S

Video Editor · Long-form, Short-form & Ads

Available to join immediately

Video editor with 2+ years of professional experience producing short-form and long-form content across advertising, weddings, and podcasts. Strong in DaVinci Resolve and Adobe Premiere Pro, with a focus on retention-driven pacing, clean transitions, and text animation. Experienced editing for paid Meta campaigns and organic social, adapting style to brand and platform.

2+ yrs — professional editing across 3 studios

13 — concurrent client accounts managed

24 hr — same-day & next-day turnarounds

EXPERIENCE

Video Editor · Hat Innovations — 07/2025 – 08/2026
Edappally, Kochi, Kerala

- Managed up to 13 concurrent client accounts, delivering Reels, Shorts, podcast cuts, and paid ad creative.
- Cut full-length podcasts into episode masters plus multiple clip variants optimised per platform.
- Produced Meta ad creative, iterating on hooks and pacing based on campaign feedback.
- Used AI tools (ElevenLabs, ChatGPT, Claude, Gemini) for transcription, voiceover, and rough-cut assembly to speed turnaround.
- Delivered consistently on same-day and 24-hour client deadlines.

Medical · Insurance · Construction · Clothing · Nutrition

Video Editor · Wonders On Web — 08/2024 – 04/2025
Kochi, Kerala

- Edited branded content for Cradiac Media, Lilfoot Kids, BicycleKart, and Zparrows Weddings.
- Delivered full wedding films and highlight reels from multi-camera footage.
- Produced YouTube Shorts and advertisements with seamless transitions and text animation.
- Translated client briefs into finished cuts, handling revision rounds directly with stakeholders.

Video Editor · MagicMotionMedia — 01/2024 – 05/2024
Kothamangalam, Kerala

- Edited wedding films in Premiere Pro and Final Cut Pro from multi-camera and drone footage.
- Coordinated with clients on requirements and delivered final cuts on schedule.

Animation Intern · NicholsonZ — 04/2022 – 05/2022
Kochi, Kerala

- Created 2D animations in Adobe Animate — butterfly sequences, a car top-view, sunsets, greeting cards, and text animations — while learning core 2D animation techniques.
